Hello everyone

We are pleased to share this information with you about accessing the **School Nurse 'virtual drop-in clinic'**. Using the QR code you can book a meeting about your child with the School Nurse—these take place **every Tuesday and Thursday between 4.30pm and 5.30pm**. This is really useful if you are struggling to get an appointment. The service is free to use so please take advantage of it!

We are looking forward to welcoming **Year 4 parents/ carers** to the **Year 4 Buddhism Assembly on Friday next week at 9am**. Please try and attend if you can so we can celebrate the children's new learning and performance, thank you.

Next week is our last week before the **ONE WEEK half-term holiday**. We will finish at the normal time of 3.30pm on Friday 25th October and **return** at the usual time of **8.30am on Monday 4th November**.

Have a great weekend everyone!

Cathy Grace, Headteacher

ARTICLE OF THE WEEK

Article 6 is our focus of this week. It states that,

"Every child has the right to life. Governments must do all they can to ensure that children survive and develop to their full potential."

This article is about more than simply keeping children alive. It is concerned with their quality of life by ensuring that children have good physical and mental health. To achieve this, they need healthy food; clean water; a safe environment with people to look after them and an education which enables them to reach their full potential.

One of the activities the children took part in to learn about this article was to draw around one person. On this body outline they wrote down all of the things that they thought children need to survive, develop and thrive.
